WHO ARE WE

BMIS was established in 1997 to perform the industrial applications in the field of mechanical engineering. It has been developed as a leading, prestige company, specialized in areas of Steam/Thermic-Fluid engineering, Combine Cool & Heat Power Plant, Water & Effluent Treatment Plant And HVAC Systems.

We have consolidated our ability, achieving Variety of mechanical engineering requirements in local and international leading industries in a successful manner. In an endeavor to expand and diversify, we have started the following Mechanical Engineering installations & fabrications.

MISSION

Deliver top-tier engineering and support service that exceed expectations. We're committed to unwavering quality and performance, utilizing expertise and innovation to consistently meet evolving client needs while upholding integrity and professionalism.

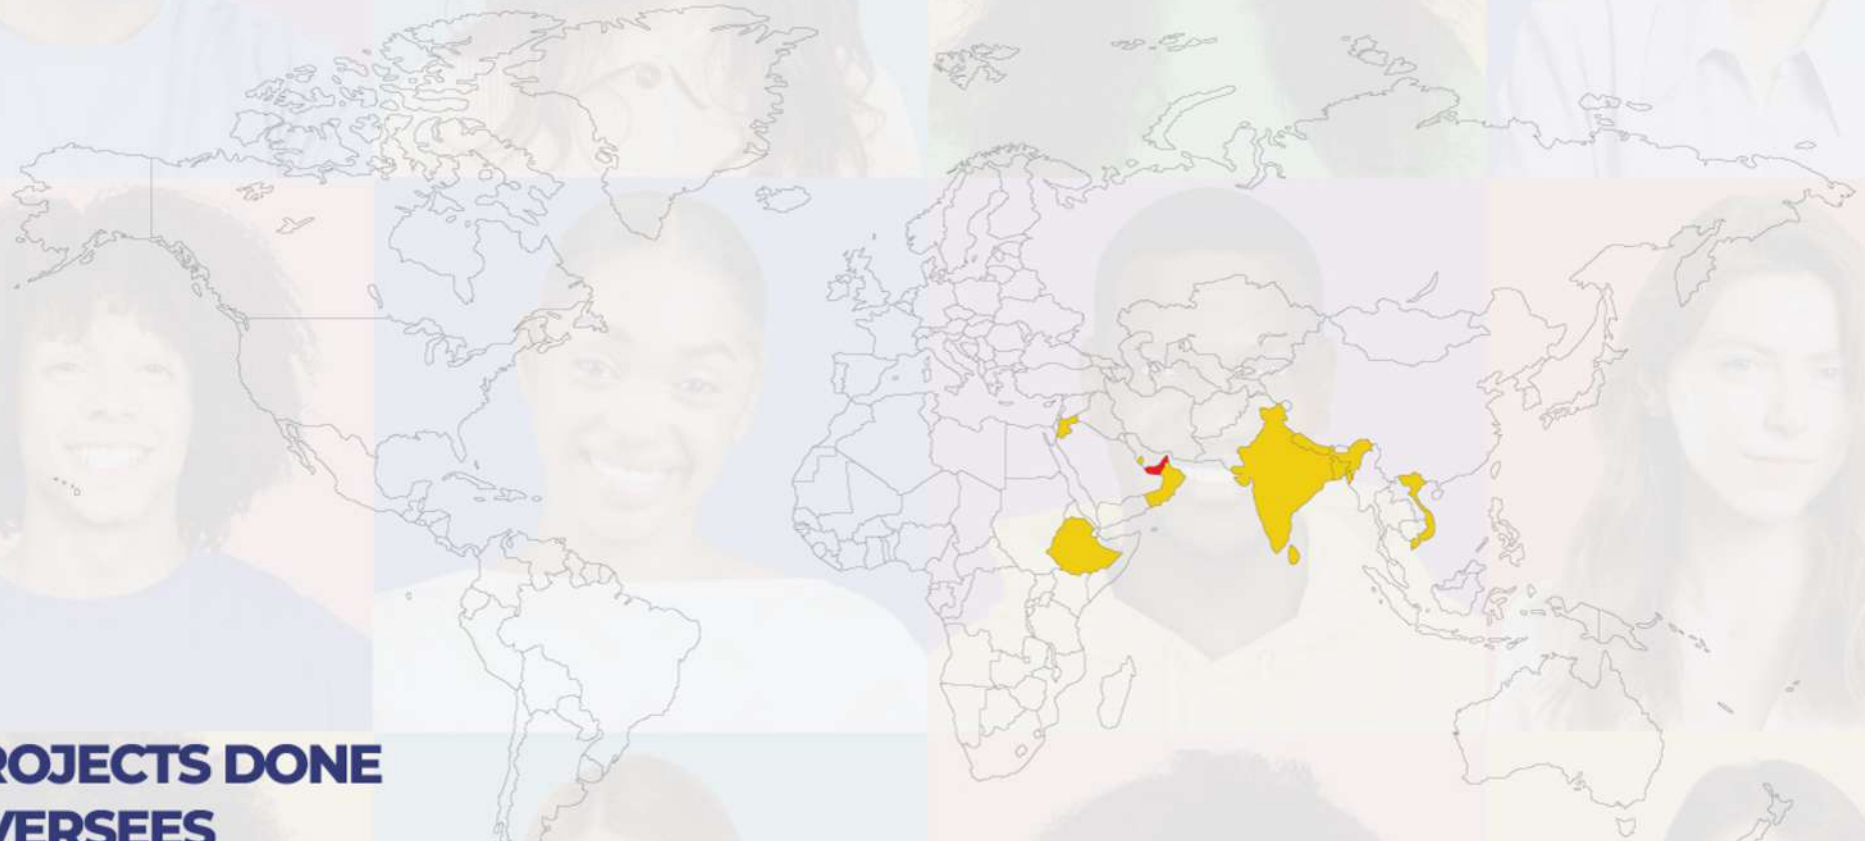

VISION

To provide high quality engineering strategies and Support solutions to our customers. We will strive to exceed expectations by maintaining an uncompromising commitment to Quality and performance.

OUR GLOBAL PRESENCE

PROJECTS DONE OVERSEES

OUR GLOBAL OFFICES

01 HVAC SYSTEMS

Our AC repair team is skilled at fixing all types of air conditioning units for homes and businesses. We carefully inspect your AC to find out why it might not be working right, whether it's not cooling properly or having airflow or drainage issues.

We handle important tasks like adding more refrigerant, cleaning or replacing coils, fixing motors and fans, adjusting or changing thermostats, repairing ducts, and cleaning drain pans. These tasks help keep your AC running smoothly and efficiently. By staying on top of regular maintenance and promptly addressing any issues, we ensure your AC works well and saves energy throughout the year, keeping you cool and comfortable.

- ✓ Cleaning or replacement of coils and filters
- ✓ Thorough AC diagnostics and troubleshooting
- ✓ Refrigerant recharge, leak testing, and repair services
- ✓ Programming and replacement of thermostats.
- ✓ Replacement of blower motor and fan
- ✓ Clearing drain lines and installation of condensate pumps.
- ✓ Duct sealing and realignment
- ✓ Implementation of noise reduction modifications and vibration damping techniques

ELECTRICAL MAINTANANCE

We provide a wide range of electrical services for both indoor and outdoor needs to ensure your home or business functions seamlessly. Our services include installing lighting fixtures, ceiling fans, upgrading electrical panels, troubleshooting power issues, setting up smart home devices, and fixing generators.

Our team of electrical experts delivers quick and professional services while adhering to safety standards and building codes. We offer free estimates, flexible scheduling, and transparent pricing without any hidden charges. Additionally, we're available 24/7 for emergency electrical assistance whenever you need immediate help.

- ✓ Lighting fixture installation and wiring
- ✓ Ceiling fan installation
- ✓ Electrical panel upgrades
- ✓ Generator installation and repairs
- ✓ Surge protection and grounding
- ✓ Home theater wiring
- ✓ Security and smart home wiring
- ✓ Troubleshooting electrical issues
- ✓ Data and networking wiring

PLUMBING SERVICES

Got plumbing problems? We've got you covered! From simple clogs to major leaks, our skilled plumbers can handle it all. We'll clear your drains, fix leaky faucets, and even install or repair water heaters. Plus, we'll take care of pipe leaks, replace fixtures, and tackle any sewer line issues you may have. Need a bathroom or kitchen makeover? We've got the expertise for that too!

No matter the size of the job, our expert plumbers are ready to roll up their sleeves. With top-notch tools and technology, we'll make sure your plumbing works smoothly in your home or business. Whether it's a small fix or a big project, count on us to get the job done right.

- ✓ Washing Machine Installation
- ✓ Grouting and Re-grouting
- ✓ Fixing a toilet
- ✓ Installing towel racks
- ✓ Replacing Faucets
- ✓ Water Heater
- ✓ Water Heater Leak Fixing & Repairing
- ✓ Bath Accessories Installation & Repairing
- ✓ Bathroom Shower Door Installation
